# AEROTEMP 155 ICEBREAKER

 Heat and Cool Your Pool

## ICEBREAKER

- extends swimming season longer than any other heat pump on the market
- continues to heat in freezing temperatures to minimize heat loss
- shortens heat recovery time

## thermoLINK™ TITANIUM HEAT EXCHANGER

- patented counter-flow water management system
- heats water faster and more efficiently
- impervious to chemical corrosion
- durability without sacrificing performance
- lifetime warranty

## Scroll COMPRESSOR

- state of the art technology
- highest efficiency
- quietest operation
- unsurpassed reliability
- superior durability

## WHISPER QUIET FAN

- maximum air flow

## AQUATOP

- protects components from leaves and debris

## DUAL ELECTRONIC THERMOSTATS

- accurate to plus or minus one degree
- independent temperature control for pool and spa

## CLEAR LOCKING COVER

- tamper proof settings

## DUAL ROW COATED EVAPORATOR COIL

- more heating power
- added protection from the elements

## EASY ACCESS PANEL

- easy installation
- easy to service

## OFF-SET PLUMBING

- easy installation

## CORROSION PROOF CABINET

- rust proof
- fade proof
- crack-resistant

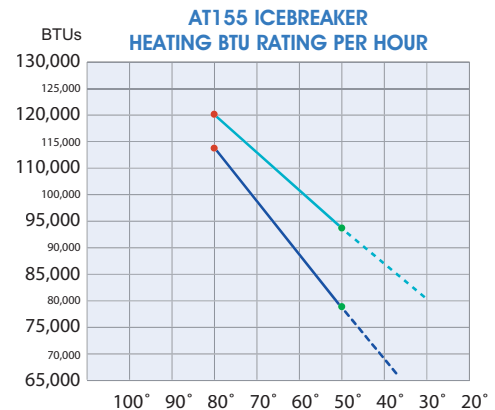

## CERTIFIED AQUACAL SERVICE

- factory trained
- HVAC licensed
- protects your investment
- satisfaction guaranteed

## AQUACAL'S TOTAL QUALITY COMMITMENT

Since 1981, AquaCal has been setting the standard for excellence, delivering the best swimming pool/spa heat pumps in the industry.
