

MASS Energy \$300 Rebate on AquaCal Heat Pumps

This promotion is administered on behalf of Mass Energy and is valid only for installations completed within qualifying ZIP codes. To qualify for the \$300 rebate, customers must replace an **outdated propane or electric pool heater** with a qualifying energy-efficient AquaCal heat pump. Replacements of natural gas heaters are not eligible. All program requirements must be met, and claims must be submitted within 90 days of installation.
