

## HEAT PUMP ACCESSORY LIMITED FACTORY WARRANTY

This Warranty applies to Heat Pump Accessories (listed below) purchased or installed within the continental United States after January 1, 2008. AquaCal AutoPilot, Inc. (hereafter referred to as "AquaCal") warrants Heat Pump Accessory(ies) to the original owner and installation site, to be free of material or workmanship defects for a one-year term.

This warranty shall begin upon the date of purchase, as verified by the owner/operator's proof of purchase documents; or, in lieu of owner documents, sixty (60) days from date of manufacture. The full warranty term includes parts and on-site labor charges to remove, repair, or replace defective components and/or to correct failures due to manufacturing workmanship. Replacement parts shall be warranted for ninety (90) days or the remainder of the original term, whichever is greater. AquaCal reserves the right to replace defective parts with new or refurbished parts at its sole discretion. This warranty does not include transportation charges for equipment or component parts to or from the factory. The owner/operator shall be responsible for any travel charges imposed by the warranty center or servicing agent.

Claims for warranty reimbursement must have prior authorization by AquaCal, and be performed by a Factory Authorized Service Agent. This warranty is void if the product is repaired or altered in any way by any persons or agencies other than those authorized by AquaCal, and is in lieu of all other warranties, expressed or implied, written or oral.

This warranty is applicable only if the Heat Pump Accessory(ies) has been installed, operated, and maintained expressly and completely in accordance with the purchased model Owner/Installation Manual. These documents are furnished with each accessory, with additional copies available by contacting the AquaCal factory or web address ([www.aquacal.com](http://www.aquacal.com)). The liability of AquaCal shall not exceed the repair or replacement of defective parts under the referenced limited warranty term, and shall not include consumables (including, but not limited to refrigerant) or transportation to or from the factory. AquaCal shall not be liable for any damages of any sort whatsoever, including incidental and consequential damages. This warranty does not include damage due to freezing conditions, negligence or abuse, installations in corrosive environments or atmospheres, nor acts of God. There are no implied warranties of merchantability of fitness for a particular purpose that apply to these accessories.
